

The Notice of Annual General Meeting to which this Proxy Form relates and the Report and Accounts are available on the Company's website at <https://www.transense.com/>

- 1 A member entitled to attend and vote at the above meeting convened by the Notice of Annual General Meeting shall be entitled to appoint a proxy (or proxies) to attend, speak and vote in his place. Such proxy need not be a member of the Company.
- 2 You may appoint more than one proxy provided that each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company's Registrars (details below).
- 3 To be valid, this form of proxy (together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of such power or authority) must be completed in accordance with the instructions set out on the form and deposited at or posted to the offices of the Company's Registrars, MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, so as to be received no later than 12 noon on 21 November 2025. If you hold your shares in uncertificated form, you may use the CREST electronic proxy appointment service as described below. Alternatively, you can vote electronically via the Investor Centre app or by accessing the web browser at <https://uk.investorcentre.mpms.mufg.com/>.
- 4 In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the register of members in respect of the joint holding.
- 5 In the case of a corporation, the form of proxy must be executed under its common seal or signed on its behalf by a duly authorised attorney or duly authorised officer of the corporation.
- 6 As provided in Regulation 41 of the Uncertificated Securities Regulations 2001, only those members registered in the register of members of the Company at 12 noon on 21 November 2025 (or in the case of an adjournment 48 hours (excluding non-working days) before the adjourned meeting) shall be entitled to vote at the meeting in respect of the number of ordinary shares registered in their name at that time. Changes to entries on the relevant register of securities after that time shall be disregarded in determining the rights of any person to vote at the meeting.
- 7 In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (RA10) by 12 noon on 21 November 2025. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- 8 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 9 CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- 10 The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
