To Shareholders

Dear Shareholder,

Annual General Meeting

1. Introduction

I am pleased to be writing to you with details of the 2024 AGM of the Company, which will be held at the Company's offices at 1 Landscape Close, Weston on the Green, Oxfordshire, OX25 3SX on 27 November 2024 at 3:30pm. The formal notice of AGM is set out in the Appendix to this document.

I would like to explain to you the ordinary and special business to be transacted and the Resolutions to be proposed at the Annual General Meeting which are set out in full in the Notice:

- Section 2 explains the business to be proposed at the AGM (as well as summarising all the Resolutions contained in the Notice).
- Section 3 of this letter sets out the action Shareholders are asked to take.
- Section 4 contains the unanimous recommendation of the Directors to vote in favour of the Resolutions.

2. Annual General Meeting: explanation of all business and summary of the Resolutions proposed

The notice convening the AGM is set out in the Appendix to this document. The Resolutions are required in order to enable the Company to implement the ordinary and special business that the Company proposes to transact at the AGM.

Resolutions 1 to 9 will be proposed as Ordinary Resolutions. This means that for these Resolutions to be passed, more than one-half of the votes cast must be in favour of the Resolution.

Resolutions 10 to 11 will be proposed as Special Resolutions. This means that for each of those Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution.

Resolution 1 – To receive and adopt the Annual Report and Accounts

It is proposed to receive and adopt the Company's annual accounts for the financial year ended 30 June 2024 together with the Directors' report and independent auditor's report on those accounts.

Resolution 2 – To receive and adopt the Remuneration Report

It is proposed to receive and adopt the Company's remuneration report that is contained in the report of the Directors for the year ended 30 June 2024. The report gives details of the directors' remuneration for the year ended 30 June 2024 and sets out the Company's overall policy on directors' remuneration. In July 2024 the Company announced, following consultation with major shareholders, that the Directors consider it appropriate to increase the overall headroom for the grant of share options to a maximum of 15% of the issued share capital in any ten year period. In accordance with section 439 of the Act, this is an advisory vote only and does not affect the actual remuneration paid to any individual director.

Resolution 3 – Appointment of Auditors

This Resolution relates to the re-appointment of Cooper Parry Group Limited as the Company's auditors to hold office until the next annual general meeting of the Company and to authorise the Directors to set their remuneration.

Resolutions 4 to 8 – Reappointment of Directors

These Resolutions deal with the reappointment of Nigel Rogers, Melvyn Segal, Ryan Maughan, Stephen Parker and Craig Wilson who retire as Directors by rotation in accordance with the articles of association of the Company and, being eligible, offer themselves for re-election as a director of the Company. Rodney Westhead has indicated he will retire at the AGM and is therefore he is not subject to reappointment.

Resolution 9 – Allotment of Share Capital

This Resolution deals with the Directors' authority to allot new ordinary shares in the capital of the Company in accordance with section 551 of the Act. The Board considers it appropriate that the Directors be granted authority to allot shares in the capital of the Company up to a maximum nominal amount of £507,329 representing approximately one third of the Company's issued ordinary share capital excluding shares held in treasury as at 18 October 2024 (the latest practicable date prior to publication of this document). The power will last until the earlier of 25 February 2026 and the conclusion of the next annual general meeting of the Company.

Resolution 10 – Disapplication of Statutory Pre-emption Rights

This Resolution will give the Directors authority to allot shares in the capital of the Company pursuant to the authority granted under Resolution 9 above for cash without complying with the pre-emption rights in the Act. This authority will permit the Directors to allot shares up to a maximum nominal value of £152,199 representing approximately 10% of the issued ordinary share capital of the Company (excluding shares held in treasury) as at 18 October 2024 (the latest practicable date prior to publication of this document) otherwise than in connection with a pre-emptive offer to existing Shareholders.

Resolution 11 – Authority to purchase the Company's own shares

This resolution grants authority to the Company to make purchases of up to a maximum of 10% of the issued ordinary share capital including shares held in treasury of the Company as at 18 October 2024 (the latest practicable date prior to publication of this document).

In certain circumstances it may be advantageous for the Company to purchase its ordinary shares. The Directors would use the share purchase authority with discretion and in light of market conditions prevailing at the time. In reaching a decision to purchase ordinary shares, your Directors would take account of the Company's cash resources and capital, the effect of such purchases on the Company's business and on earnings per ordinary share. The Directors consider that it is in the best interests of the Company and its shareholders as a whole that the Company should have flexibility to buy back its own shares should the directors in the future consider that it is appropriate to do so. In relation to any buy back, the maximum price per ordinary share at which the Company is authorised in terms of resolution 11 to effect that buy back is 5% above the average middle market price of an ordinary share for the five business days immediately preceding the date on which the buy back is effected and the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out. The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).

3. Action to be taken

You will find enclosed with this document a Form of Proxy for use at the AGM. Whether you intend to be present at the AGM or not, you are asked to complete the Form of Proxy in accordance with the instructions printed on it and to return it to the Registrars as soon as possible and, in any event, so as to be received by no later than 3:30pm on 25 November 2024. The completion and return of the Form of Proxy will not preclude you from attending the AGM and voting in person if you wish to do so.

Shareholders who hold their shares in the Company through CREST are referred to the Notes to the Notice of Annual General Meeting.

If the Form of Proxy is not returned or the CREST Proxy Instructions submitted by 3:30pm on 25 November 2024, your vote will not count.

4. Recommendation

The Board considers that the business that it proposes to transact at the AGM are in the best interests of the Company as a whole. Accordingly, the Board recommends that you vote in favour of the Resolutions as they have agreed to do in respect of their own shareholdings representing 3.08% of the issued share capital excluding shares held in treasury of the Company.

Yours faithfully

Nigel Rogers
(Chairman)

Notes to the Notice of Annual General Meeting

- A member entitled to attend and vote at the above meeting convened by the above notice shall be entitled to appoint a proxy (or proxies) to attend, speak and vote in his place. A form of proxy has been sent to all shareholders. You may appoint more than one proxy provided that each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company's Registrars (details below). Such proxy need not be a member of the Company.
- To be valid, the form of proxy (together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of such power or authority) must be completed in accordance with the instructions set out on the form and deposited at or posted to the offices of the Company's registrars, Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD so as to be received no later than 3:30pm on 25 November 2024. If you hold your shares in uncertificated form, you may use the CREST electronic proxy appointment service as described below.
- In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the register of members in respect of the joint holding.
- In the case of a corporation, the form of proxy must be executed under its common seal or signed on its behalf by a duly authorised attorney or duly authorised officer of the corporation.
- As provided in Regulation 41 of the Uncertificated Securities Regulations 2001, only those members registered in the register of members of the Company at 3:30pm on 25 November 2024 (or in the case of an adjournment 48 hours (excluding non-working days) before the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
- CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA11) by no later than 3:30pm on 25 November 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
